

KI WARRANTY

Warranty Plan

Revision 2

2 or 4 years Optional Extension of Warranty available worldwide

Kingfisher gives you the opportunity to extend your warranty period. For any product with standard three (3) year warranty, further 2 or 4 years extended warranty is available. This extension is only available at the time of purchase of your instrument. This is a genuine opportunity to cover your Kingfisher instrument for over 5 or 7 years of operation.

Standard Warranty Conditions

Kingfisher International Pty Ltd (KI) warrants that all products manufactured by KI will be free of defects in workmanship and materials under the terms of the limited warranty for the period of up to three (3) years from date of purchase.

Warranty excludes failure resulting from: Improper use or installation, normal wear and tear, optical connectors, repair, alteration or modification of the product by anyone other than KI. Accident, abuse, neglect, fire, water, lightning

or other acts of nature, causes external to the product(s), other factors beyond the control of KI. All freight, handling, courier, customs, insurance and other related expenses in getting the product(s) to and from Kingfisher for all services provided by Kingfisher shall be borne by the customer. Routine re-calibration of your instrument is not included under any of the warranty plans.

For all equipment returns to KI including Warranty & Service, please refer to the Return Material Authorization (RMA) Form on our website.

Extended Warranty Conditions

Kingfisher International is entitled to terminate this extended warranty by written notice to the owner in the event that in the opinion of Kingfisher the product is used for purposes other than it was originally designed for. In this case Kingfisher will pay a refund for the unexpired period of the warranty less administration expenses. Kingfisher Standard Terms and Conditions apply
